CAM WHITE

A GREAT FRIEND, WORKER AND LOVED ONE

We are extremely sad to share the news of Cam White's passing on Friday, February 21st, 2020.

Many of you in the industry knew him personally and can attest to his incredible character. He was influential both in life and in business, and was well-respected among friends and colleagues. He had countless stories of the 'old days' at Taiga, and no matter how many times they were shared they made everyone laugh. His voice carried when he spoke, he held an audience effortlessly, and he was a no-nonsense man when it came to bearing the truth.

Cam created Taiga with the help of several friends, and they built this company into an impressive operation that not only succeeded and grew, but gave back to the community and all the families involved with Taiga. Cam worked tirelessly to get the job done, and impacted so many lives along his journey. This contribution was recognized by the WRLA when he received the "Industry Achievement Award" in 2002.

In Cam's words, 'Let me assure you', he will be greatly missed.
