taiga product focus

Trex Enhance Naturals.

Trex Enhance[®]
NATURALS

Trex Enhance Naturals is a low-maintenance, high-performance composite that offers all the charm of real wood, without any of the challenges. With its high-definition, authentic wood grain appearance and classic colour options, Enhance Naturals features a rich, sophisticated finish at a value that only adds to its appeal. Imagine enjoying the same beautiful consistency of Trex Enhance[®] Naturals 25 years from now without continual, costly upkeep.

AQMAT Gala Reconnaissance (AQMAT Awards Gala)

The AQMAT Awards Gala is regarded as the most prestigious event in the hardware and building materials industry, where the most innovative products, talented employees and teams are awarded by a collection of their peers. On March 9th, 2019, the industry gathered in Montreal for its annual gala where JR Tech Solutions awarded Taiga with the highly coveted **Team Award**. This award recognizes the best sales representatives and exemplary customer service in the region.

Timber Mart Vendor Awards

During the 2019 Timber Mart Vendor Awards, Taiga was honoured with the Operational Excellence Award, in recognition of achieving consistent order accuracy, on-time deliveries, high fill rates and low claim rates. We pride ourselves on taking care of our customer and being there when they need us the most. Whatever it takes.
