EGGER –
More from wood.

EGGER has stood for quality products for decades: We create more from wood. Living and working with wood is our passion.

Founded in 1961 in St. Johann in Tirol (Austria), EGGER today is a steadily growing and internationally active family business. As a full-range supplier for furniture and interior design, structural wood construction and flooring, we're one of the world's leading manufacturers of wood-based materials.

We deliver on our promises of quality, sustainability, innovation and professionalism, bringing these qualities to life to meet the high demands of our customers time and again.

Our PRO Laminate Flooring with special Aqua+ technology is engineered for water resistance. Thanks to the water-resistant coreboard, it's perfect for bathrooms, kitchens and hallways, and, of course, for commercial use with frequent cleaning, even with steam cleaners.

Looks like wood.
And feels like it too.

Accurately reproduced and incredibly authentic. Our embossed-in-register (EIR) surfaces bring decors to life by perfectly aligning the decor knots, cracks and grains with the texture.

Key product
benefits

Water Resistant
Offering up to 72 hours of water resistance, Aqua+ Laminate Flooring is ideal for those areas where you need added protection from moisture and water, including kitchens and bathrooms.

Environmentally Friendly
Naturally wood based, Aqua+ Laminate Flooring offers a great environmentally friendly option, which is PVC free. Aqua+ Our Laminate Flooring is also 100% recyclable.

Impact Resistant
Engineered to be durable and hard-wearing, Aqua+ Laminate Flooring is tested to perform against impacts, and will not show indentations from furniture.

Commercial Guaranteed
Products are guaranteed and suitable for most commercial applications.

All our shown and mentioned decors are reproductions.

Natural Looking

Realistic designs and textures ensure your new flooring offers an authentic-looking floor in woodgrain or material reproduction designs.

Easy Cleaning

Laminate flooring is easy to clean and maintain. And Aqua+ Laminate Flooring can also be machine cleaned or steam cleaned.

Stain and Fade Resistant

Thanks to the the manufacturing process and surface design, Aqua+ Laminate Flooring offers a resilient surface that is highly stain resistant and will not fade in sunlight, meaning your floors stay beautiful longer.

Quick and easy to install

Installing our flooring is quick and easy, with the ClicIt! Locking system, allowing for alternative installation methods.
