taiga memory

DOUG MORRIS

It is with sadness we share the loss of one of Taiga's earliest team members, Doug Morris, who unfortunately passed on July 15, 2020.

From his early days at Taiga, beginning in 1978, he was intimately involved with the Management team and our salespeople, helping to shape and influence the business. Doug not only developed Taiga's distribution presence in Eastern Canada, and initiated Taiga's 1996 acquisition of distribution centres in both Ontario and Quebec, he also established the Oakville commodity trading division and Dynamic Forest Products. He was involved in taking Taiga public, and held the position of Executive VP of Major Accounts and Supply Management of Taiga from March 2007 - March 2009. Doug was appointed to Taiga's Board on July 16, 2009 and has maintained this position throughout. Doug held a Bachelor of Science and Economics from Clarkson University in Potsdam, New York.

Doug cared deeply about his family, and they spent a great deal of time at his summer house on the lake together (fondly called the 'Grandchild catcher'), relaxing and enjoying cottage life. He was an avid golfer and long-time member of St. Georges Golf & Country Club in Etobicoke, Ontario, and he enjoyed fishing as well.

Doug is survived by his wife Mary Lou Morris, children Shelley Morris (Dave) and James Morris (Colleen), and his granddaughters Kate and Brooke Morris.

On behalf of the Taiga family we send our condolences to all those in Doug's family. He will be missed.

COMPOSITE DECKING AT ITS VERY BEST.

TREX TRANSCEND

A GREEN DECK
Transcend decking is comprised of 95% recycled composite board (that's almost the whole thing) makes you feel about the great outdoors.

UNPARALLELED BEAUTY
Transcend decking maintains its vibrant color and luxury colors create a premium, ageless look that leave other composites in the dust.

HASSLE FREE
No sanding. No staining. No painting. No kidding. (Not to mention simple soap-and-water cleanup.)

FADE, STAIN, SCRATCH AND MOLD RESISTANT
Transcend decking maintains its vibrant color and luxurious finish—come scorching sun or red-wine spill—thanks to its unyielding, three-side shell protection...and an industry leading 25-Year Limited Residential Fade & Stain Warranty.
