taiga spotlight - Egger | Aqua+

WATER RESISTANT LAMINATE FLOORING.

3 days of complete water resistance. Aqua+ Laminate Flooring is the perfect solution for kitchens, bathrooms, hallways and commercial areas where water is present. It's not even afraid of a steam cleaner for those messier times.

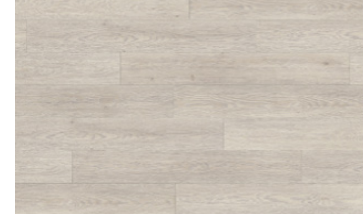

- Water resistant for up to 72 hours (NALFA)
- Improved Aqua+ HDF core board: Specially selected wood mix, increased glue-emulsion recipe, increased raw density of the HDF core board
- Optimized swelling behavior: <5%
- CLIC *it!* installation system: floating installation or full-face gluing to the subfloor
- AC4
- 8 mm and 12 mm collections

A SMOOTHER JOBSITE INSTALLATION

Thanks to the LP® SmartSide® ExpertFinish® Lap, professionals can avoid the need for most seam caulking, joint molds or pan flashing at butt joints.

ADVANCED DURABILITY

LP® SmartSide® Trim & Siding products are treated with our proprietary SmartGuard® process. With four components of protection, the process adds strength and helps our products withstand impacts, freeze/thaw cycles, high humidity, fungal decay and termites. Build with confidence with an industry leading 5/15/50* year limited warranty.

Complete your home's look with these LP® SmartSide® ExpertFinish® products. They help create a more beautiful, finished look and offer Advanced Durability for Longer Lasting Beauty.®

*5-Year labour + materials, 15-Year finish and 50-Year substrate warranty.
